

**Confronto ricavi attesi e ricavi  
reali 2003-2008**

**Nuova tariffa media 2009-2032**

**ALLEGATO D – CANONI DI CONCESSIONE D'USO BENI  
STRUMENTALI E MUTUI    agg. luglio 2008**

Il presente tabulato contiene i dati relativi ai canoni di concessione d’uso dei beni strumentali ed ai mutui da riconoscere ai Comuni dell’ATO 2 già contenuti negli allegati alla Convenzione di Gestione:

All. 2.2 Disciplinare tecnico – mutui pregressi

All. 2.4 Disciplinare tecnico – determinazione e ripartizione del canone di concessione tra gli Enti Locali

e ripresi nel documento “Canoni del S.I.I. per gli anni 2003-200x” che la STO periodicamente aggiorna per tener conto dei mutui effettivamente riconosciuti ai Comuni, delle date di presa in carico dei servizi, dei rami di servizio effettivamente presi in carico, del trasferimento di parte dei canoni ai Consorzi idrici aventene diritto.

Per ogni Comune dell’ATO 2, il tabulato riporta per tutti gli anni della concessione questi valori:

**AB – canoni STO** - la quota parte del canone del Comune destinato alla STO

**A - canoni** - il canone riconosciuto al Comune da confrontare con la rata annua del mutuo riconoscibile

**B - mutui verificati** - la rata annua del mutuo che, dopo la presa in carico del servizio e dopo la verifica in contraddittorio tra il Gestore e il Comune, è riconosciuta al Comune

**C - mutui da P.d’A.** - la rata annua del mutuo in prima istanza previsto nel P.d’A. per il Comune

**D - giorni S.I.I.** - il numero dei giorni dell’anno in cui il S.I.I. è operativo nel Comune

**E - canone come da P.d’A.** - calcola la rata del mutuo/canone da riconoscere al Comune con i dati del P.d’A. Prende il massimo tra i due valori A e C, lo somma con AB e moltiplica il risultato per D/365

**F - canone definitivo** - effettua lo stesso calcolo precedente ma cerca il valore massimo tra i due valori di A e B.

Al fine di consentire alcune elaborazioni dei dati contenuti nel tabulato, ad ogni Comune è assegnata una categoria contraddistinta dai numeri 0, 1, 2, 3 e 4 avente questo significato:

- 0** = Roma
- 1** = Comune già entrato nel S.I.I. senza mutui
- 2** = Comune già entrato nel S.I.I. con mutui
- 3** = Comune già entrato nel S.I.I. con mutui in corso di verifica
- 4** = Comune non ancora entrato nel S.I.I.

Il presente documento è aggiornato alla data riportata in copertina ed al piede dei tabulati.

Alla fine del tabulato è effettuato un calcolo per stimare il valore complessivo anno per anno riconoscibile ai Comuni tra canone di concessione d’uso dei beni strumentali e i mutui.

La stima si basa sui dati a disposizione alla data di aggiornamento del tabulato, dati certi per alcuni dei Comuni già entrati nel S.I.I., dati ipotizzati (data di ingresso e importo dei mutui) per gli altri Comuni.

**N.B.      Gli importi annui qui riportati da riconoscere ai Comuni sono una stima; i valori esatti sono riportati anno per anno nel documento “Canoni del S.I.I. per gli anni 2003-200x” periodicamente redatto dalla STO**
